

Electrolite Fitting & Equipments

<https://www.electroliteindia.co.in/>

Electrolite Fittings & Equipments, is a trusted manufacturer, supplier, wholesaler and trader of commendable array of LED & Solar Lights and Lighting Poles. These lights are known for their low power consumption and high illumination.

About Us

Established in the year **2003**, we, **Electrolite Fitting & Equipments**, are recognized as one of the prominent organizations engaged in manufacturing, supplying, trading and wholesaling a comprehensive array of best grade **LED & Solar Lights and Lighting Poles**. Under the offered array, we provide **LED CFL Lamps, LED Flood Lights, LED Lighting Panels, Rainaji street light, LED Tube Light Fitting** and **LED Street Light Housing**. In addition to this, we provide **LED Concealed Lights, Ground Buried Lights, Outdoor Lighting Poles, Landscape Lighting Poles** and **Garden Lighting Poles**, to name a few. We manufacture these lights and lighting products by utilizing premium quality raw material and other components while keeping in mind the established quality standards of the industry. Post production, we check these lights and lighting poles so as to ensure that their fine finish, exquisite designs, high illumination, less power consumption, longer service life and resistance against abrasion.

Offered lights and lighting poles are used in domestic houses, commercial shops, factories, public gardens, and parks. We have a team of experienced professionals who carry out the manufacturing process of these lights and lighting products so as to suit their requirements. At our state-of-the-art-infrastructure, we have installed modern and highly productive machines and technology using which these professionals manufacture these lights...
